JEWELLERY

BEFORE PRINTING

Please make sure that printing scaling options are 'None' or 1:1 and that you are using in your a standard A4 sized paper (210 x 297mm). The ring sizer is 160mm long.

HOW TO MEASURE YOUR RING SIZE?

1. Use an existing ring and place on top of the circles below. The inside circumference should fit one of the circles. If the ring falls between two sizes look at the width of the ring. If the ring is very wide, the ring should e bigger.

2. Cut the ring sizer below and place the end of the ring sizer through the indicated slit. Wrap it around your finger with the letters side visible. The letter closest to the slit is the correct size.
